Physicians practicing at an ACGME or AOA approved postgraduate training program must apply for a **restricted temporary license** through the Mississippi State Board of Medical Licensure (MSMBL).

The cost is $50, which may be tendered at the completion of the application process. If issued after April 1st, the license is valid until June 30th of the following year.

Application instructions can be found [here](#).

### Applying for a License:

All license applications are submitted online using the Mississippi Enforcement and Licensure System (MELS). First time users must register and establish a username and password. A short video that describes steps to create a username and password can be found [here](#).

Click the link, below, to access the user Gateway.

**MELS User Gateway**

Once you submit your application, the Board will provide you with information needed to process the request including, but, not limited to, certification of graduation from medical school, applicant photograph, internship certificate and birth certificate.

### Certified Documents

All certification requests to institutions should be returned to the Mississippi Board of Medical Licensure at this address:

**Mississippi State Board of Medical Licensure**  
Cypress Ridge Building  
1867 Crane Ridge Drive  
Suite 200-B  
Jackson, MS 39216

OR

Emailed in a PDF format to certification@msmbl.ms.gov.

The Board will not consider the certification unless it is received directly from the institution. Board policy requires *original* documents from the primary source. **A fax is not acceptable.**

### Notarized Documents

Any documents which require notarization must be mailed or hand-delivered to the Mississippi Board of Medical Licensure office. Electronic notary signatures are not accepted.

### Background Checks and Fingerprint Cards

Background checks and fingerprint cards are not required for a restricted temporary license.

### Application Processing

Restricted temporary licenses are issued on the day you are scheduled to start training.
Once an application has been submitted, the application progress may be reviewed via your Licensure Gateway account at: https://gateway.msbml.ms.gov. No refunds will be issued under any circumstances.

**APPLICATION CHECKLIST**

The following checklist is designed to assist you in submitting the necessary materials needed during the **restricted temporary licensure** application process. Applicants should contact the Mississippi State Board of Medical Licensure and/or your GME office with any questions regarding your application.
