Mississippi Medical Students and Residencies Celebrate 2018 Match

MS Medical Students and Residencies Celebrate Match Day 2018

More than 200 Mississippi medical students met their match last week.

On Match Day, fourth-year students at The University of Mississippi School of Medicine and William Care University College of Osteopathic Medicine learned the location and the specialty of the US residency programs where they will call home for the next three to seven years.

Residency programs across the state also received notifications of their new matches. Graduate medical education sites, below, will welcome additions to their program on July 1st:

- [Baptist Memorial Hospital Internal Medicine Residency Program](#)
- East Central Healthnet Family Medicine Residency Program
- [Forrest General Family Medicine Residency Program](#)
- [Magnolia Regional Internal Medicine Residency Program](#)
- [Merit Health Wesley Education and Residency](#)
- [North Mississippi Medical Center Family Medicine Residency Program](#)
- [University of Mississippi Medical Center](#)

Match Day occurs on the third Friday of March each year at each of the 155 medical schools in the United States where the results of the National Resident Matching Program (NRMP) are announced. The 2018 Main Residency Match was the largest on record – 37,103 applicants submitted program choices for 33,167 positions.
